

THE APPLICATION HAS BEEN CERTIFIED - "IT'S TIME FOR ACTION"

The third development application in nine years to build hundreds of townhouses on the Mizner Trail Golf Course has officially been certified by the P.B. Zoning Staff. This does **NOT** mean they recommend for the approval of the plan, only that it meets the minimum standard to go to the next step which is the Zoning Commission hearing December 6, 2013 and the Board of County Commissioners hearing and vote on January 9, 2014.

The entire community will be negatively affected by increased density, but based on the plan advertised, the following Associations will see townhouses on the fairways adjacent to their communities; Patios Del Mar II, Addison Pointe, Ironwedge, La Jolla, Camino Real Village, Tiburon I, Camino Woods II, Wellesly Park, The Greens, Windrift, Parkside and Terra Tranquilla.
