

EMAIL BLAST CAMPAIGN STARTS NOW! - YOUR IMMEDIATE ACTION IS REQUESTED

We urgently need you to send a personal email to each of the P.B. commissioners with the subject line;

"I oppose Development on Mizner Trail DOA 2013-01057"

We urge you to make your comments brief, courteous and professional. Please keep in mind that the Board of County Commissioners has voted twice before to oppose development supporting this community. We encourage you to include the following three points:

I oppose development on the Mizner Trail Golf Course: The master plan allocates that property as open space and when I moved to Boca Del Mar I had a reasonable expectation that the land was to remain undeveloped.

I support the "Closing of the Boca Del Mar P.U.D.": This would stop the attempt to transfer development rights to that property preventing the filing of any future development applications. Boca Del Mar is in fact is built out.

I support a non-development solutions including a "Mizner Trail Conservation Park" the vision of the B.D.M.I.A.: A passive park that would be an asset to the community and is in keeping with the intent of the master plan.

Please copy the following commissioners emails and send at once; sabrams@pbcgov.org, HValeche@pbcgov.org, pburdick@pbcgov.org, svana@pbcgov.org, MBerger@pbcgov.org, jsantama@pbcgov.org, ptaylor@pbcgov.org

OTHER UPDATES

Those that oppose development are in a "full press court" meeting with various entities from the private and public sectors to secure a non-development outcome. The County and the Courts have refused development rights for Mizner Trail, we will help the owners find a viable non-development solution. There are other solutions; they're just not as lucrative for the current builder/owners.
